

Rotary International District 1210 Disabled Sports Fun Day

What is it?

This annual event takes place at the Beaconside Sports Centre at Staffordshire University. Rotarians host the various events, which have included football, cricket, table tennis, golf, basketball, skittles, an obstacle course and many others. Disabled groups are invited to attend, whatever their level of ability, for a morning of competition, fun and fellowship. Medals are awarded to the winners of each event.

How can you and your club help?

There are several ways you and your members can help, both on the day, and beforehand.

For the event to be a success we need as many participants as possible, so if you or your members know of any suitable groups who could be invited to take part, then please invite them, or let us know, so that we can.

There is no cost to take part, but clubs may wish to help arrange transport to and from the venue for those people they invite.

On the day we need people to help organise the events, and to marshal those attending. Your club could choose to take on and host a complete activity, or members could come along and help other clubs with their events, or just provide some additional marshalling help on the day.

For Registration Forms and More Information...

Registration forms will be included in the packs at the next District Council meeting on May 27, but if you want them earlier that's not a problem.

For any queries/questions, or for forms, please contact Rtn. Troy Allen
Tel: 07973 613612 E-mail: funday@bloxwichphoenix.net

Your support is much appreciated.
