

# ROTAPHIC 2008

**A photography competition organised by the Rotary Club of Stafford Knot and open to all Rotarians in District 1210 and their families. The competition is based on the successful Young Photographer competition run by the club.**

The idea is to keep things simple so there are just three categories, colour print, monochrome print and club portfolio. Entries open with the publishing of these rules and close three weeks before District Conference. Awards will be presented at District Conference where there will be a display of the best photographs.

## **Categories**

**Colour Print.** An award for the best colour print and runner up. Up to four prints may be entered per person

**Monochrome Print:** An award for the best monochrome print and runner up. Up to four prints may be entered per person

For each of the above categories there will also be awards for the best prints submitted by a child under 12

**Best Club Portfolio:** For a varied portfolio of ten prints put together by at least five people representing the club (including family members). Individual photographs may also be entered in the above categories using duplicates.

## **Prints**

Prints should be unmounted and on paper no larger than A4.

## **Identification of entries**

Each entry will have the title of the photograph, entrants name, address and club marked on the back and correspond with the number on the entry form. Portfolio entries must be presented in one folder clearly marked with the entrant club with individual prints also marked with name, title and number to correspond with the entry form.
